

Dear Students and the MPA Community,

As you all have experienced by now there has been several measures taken by the municipality concerning the COVID-19. One of the measures is closing down all schools until April 6th.

MPA has decided to take these measures as well and we would like to inform you that as of March 16th until April 6th, MPA will be closed. This is for the benefit of all our students, teachers and staff members. Therefore, there will be no classes, studio bookings or intakes for the next few weeks. If you have an inquiry please email us so that we can contact you within due time using this email; info@musicproductionacademy.com

However, this does not mean that you will need to stop classes totally. We will be initiating an online platform where you will be able to resume your classes and develop the music you want!

For all ongoing courses, we will resume on April 7th via an online platform called **DISCORD** (<https://discordapp.com/>) - you can download the app or use it through your browser. This will be the point of communication with your teachers and fellow classmates. On the day of your class - you will have to go online and your teacher will share their screen with you. In the same channel, you will be able to access a chat group that can be used for questions and further assignments.

Before April 7th, you will receive an invite link in order to access your own channel and get acquainted with the platform. As this is a new approach we are using, please be patient with us and we will make sure it goes as smooth as we can offer. We do hope that this way your class routine will remain as normal as possible due to the circumstances.

As for prospective students, for the upcoming start of new courses, we will be postponing the start date to April 30th, 2020. In order to organise the online courses (if needed) and make sure that everything goes smoothly. You will be updated with sufficient time as well.

Following this email you will receive your links to the different online channels. Please make sure that you follow the link and if you have any questions concerning the platform please send an email to info@musicproductionacademy.com

As for practicalities, invoices will be sent out as per usual, however, due to the situation you will be compensated with extra classes when MPA is open again and the situation is over. So we want you to know that we are doing our best to keep everyone at ease and happy with their experience at MPA.

We understand this is a big change however we are doing our best to keep MPA and everyone in the community happy, creative and healthy.

Stay positive, stay strong and keep producing!

The MPA team
